1984

I have just returned from the Jack H. Robinson Sale by Superior. It was a wonderful event. I guess there are a few people still interested in collector coins as the sale was packed and the prices were very strong. How about \$58,000 for a G6 1795 S-79! I will write more later. The following is a short list of new purchases many from the Robinson sale. My next full list should reach you by early March. Call if you find something you would like to have.
